

Partner & Partners >>> Seeking Senior Graphic Designer

Information

We're looking for an experienced graphic designer with strong design sensibilities. Ideally, you're a designer who has work experience and skills that match our multi-disciplinary practice and understand both print and web. Exhibition design is a plus. You'll be working directly with our lead designers on various projects such as branding, exhibition design, interaction/ux design. You do not need to be a fully fledged developer but familiarity and experience in front-end development are highly welcomed.

START DATE

Beginning of September 2017

LOCATION

150 West 28th St, 800
New York, NY

DURATION

Full time/Part time,
its up for discussion!

Partner & Partners is a small happy design practice in the flower district of Manhattan focusing on print, exhibition, interactive and identity work with clients and collaborators in art, architecture, public spaces and activism.
